MEMORANDUM FOR:

SUBJECT: Conferences on 27 February 1952

1. Enclosed is a memorandum for the record summarizing the conferences held here on 27 February 1952. I would appreciate it if you would confirm our understandings as stated therein.

2. With regard to paragraph 3 b. (5), we understand that the question of how may be used and any other security questions should be taken up by security officer, directly with our security officers. We understand that he has established direct liaison and this is now the proper channel for security matters. Accordingly, we will do nothing further on this matter unless you consider that we can be of assistance.

3. With regard to the study mentioned in paragraph 6 c., suggests that there are two men who have worked with this subject under the influence of and who perhaps should be consulted:

a. office, who has done a pilot study blocking out the problem.

b. who is just completing a detailed study of the problem.

4. I very much enjoyed meeting you and I believe these conferences were very helpful.
